

1. Product name / Supplier / Manufacturer

Product name	Floorfix		
Usage	Wash and care free from wax.	Preparation date	02-03-2010
PR no.	--		
Supplier	Sæbeland Naverland 38, 2600 Glostrup, Tel.: 70228322		

2. Hazards identification:

For full text of above listed R-phrases, see 16.

3. Chemical Composition:

Ingredient name	EINEC	Contents %	Classification
Fat acid soap		5-15	
Fat alcohol ethoxylate		<5	Xn, R22; R41
Alkylpolyglucosid		<5	Xi, R36
Complexing agent IDS		0-1	
Water to 100%			

4. First aid measures

Inhalation	No entry.	Skin contact	Rinse with water.
Eyes	Rinse with plenty of water.	Ingestion	Drink water or milk.

5. Fire fighting measures:

The product is water based and cannot burn.
Use extinguishing media appropriate for surrounding fire.

6. Accidental release measures:

Absorb onto sand or earth, shovel up and transfer to suitable marked container.
Dispose of content in accordance to the local regulation

7. Handling and storage:

Use: Handling in accordance with good industrial hygiene and safe working practices.
Storage: Keep in original container.

8. Exposure control / personal protection:

Exposure control: No entry.

Personal protection

No entry.

9. Physical and chemical properties:

Physical state	Clear liquid.	Density	1,02
Smell	No entry.	Flash point	No entry.
pH CC	10,0	Solubility	100% in water.
pH in 2% sol.	8,0	Other informati	No entry.

10. Stability and reactivity:

The product is stable.

11. Toxicological information:

Inhalation	No entry.	Skin contact	No entry.
Eyes	Slightly irritating to eyes.	Ingestion	No entry.

12. Ecological information:

All surfactants are degradable in accordance to EU legislation.

13. Disposal:

EAK 20 01 16, Surfactants.

Waste is not considered to be dangerous goods.

14. Transportation information:

No entry.

15. Regulatory information:

EEC Label No entry.

16. Additional information:

Limitation of use

Additional information:

Correction

Other information

No entry.
Full text of R-phrases, mentioned in 3:
R22: Harmful if swallowed.
R36: Irritating to eyes.
R41: Risk of serious damage to eyes.
