

1. Product name / Supplier / Manufacturer

Product name	Super Opvask		
Usage	Dishwashing detergent	Preparation date	09-10-2007
PR no.	no entry		
Supplier	Iduna A/S Blokken 25, DK 3460 Birkerød Te.: +45 45810171, Fax: +45 45810171, mail:iduna@iduna.dk		

2. Hazards identification:

R36: Irritating to eyes and skin.
For full text of below mentioned R-phrases, see chapter 16.

3. Chemical Composition:

Ingredient name	EINEC	Contents %	Classification
Anionic Surfactants	235 091 0 / 205 788 1	5-15	Xi,R36/38
Nonionic surfactant	no entry	<5	Xn,R22;R41
Sodium Chloride	231 598 3	<5	
Konc. 2-Phenoxyethanol	122-99-6	0,02	Xn, Xi, R22/R36
Water to 100%			

4. First aid measures

Inhalation	No entry	Skin contact	No entry
Eyes	Rinse with water. In case of irritation, seek medical advice.	Ingestion	Drink water or milk

5. Fire fighting measures:

The product is waterbased and cannot burn.
Use extinguishing media appropriate to the surrounding fire.

6. Accidental release measures:

Absorb onto sand or earth. Shovel up and transfer to suitable container.
Dispose of content in accordance to local legislation.

7. Handling and storage:

Avoid contact with eyes by handling in accordance with good industrial safe and hygiene working practice.
Keep in original container.

8. Exposure control / personal protection:

Exposure control:	No entry
Personal protection	No entry

9. Physical and chemical properties:

Physical state	Clear liquid.	Density	1,04
Smell	product specific	Flash point	no entry
pH CC	7,8	Solubility	100% in water
pH in 2% sol.	7,5	Other informati	no entry

10. Stability and reactivity:

The product is stable under normal conditions.
No reactivity known.

11. Toxicological information:

Inhalation	no entry	Skin contact	Repeated exposure with concentrated product may dry out the skin
Eyes	Irritating to eyes	Ingestion	May cause nausea

12. Ecological information:

All surfactants are degradable in accordance with EU legislation.

13. Disposal:

EAK 20 01 16: surfactants

Waste is not considered to be dangerous goods.

14. Transportation information:

No entry

15. Regulatory information:

R36	Irritant
S26	In case of contact with eyes, rinse immediately with plenty of water and seek medical advice.

16. Additional information:

Limitation of use	none	Responsible	Mette Borg mail: mb@iduna.dk
Additional information:	No entry		
Correction	none		
Other information	Full text of R-phrases, mentioned in chapter 3: R22: Harmful if swallowed. R36: Irritating to eyes. R38: Irritating to skin. R41: Risk of serious damage to eyes.
